

# CAN I BE A PILOT?

## NO FINANCIAL OBSTACLES

VET student loans are available to cover tuition fees\*. Basair is proud to offer a Combined Course which fully qualifies students for a career in the airlines without any out of pocket tuition fees.

## NO ACADEMIC OBSTACLES

There are no ATAR or high school subject requirements for entry to the Commercial Pilot Licence course. At Basair, we focus on instilling the principal of continual improvement; teaching students to become more effective learners as they master the art of flight.

## NO SOCIAL OBSTACLES

Female pilots thrive in our college and there is a high demand for them in the industry. Basair encourages diversity and welcomes people of all cultural backgrounds, genders and sexual orientations/identities.

\*VET student loans are only available to those who meet the eligibility criteria. Failing tests and repeating Units of Study may cause tuition fees to exceed the VSL cap, resulting in out of pocket expenses. VET student loans give rise to a HELP debt that continues to be a debt to the Commonwealth until it is repaid. | Maximum size of loan for the Combined Course is \$144,357 | Basair Aviation College | RTO 1327 |
